

ATTA UR REHMAN

SOFTWARE ENGINEER | 03095896203 | Manirana770@gmail.com | www.linkedin.com/in/atta-ur-rehman62

Dedicated and focused software engineer with a working understanding of desktop Applications and web technologies. With my extensive experience in project and event management, together with my outstanding planning and organizing abilities, I can develop the best software solutions on time and under budget. I offer a strong sense of growth, solid focus, and an original and creative approach to problem-solving as a quick learner. I am always ready to learn new skills and keep current with advances in technology, and I provide a helpful and insightful view to every project I work on.

EDUCATION

BS-Software Engineering | University of Sialkot.

2021-current

- Distinguished member of university's IEEE International Society
- Current Semester 7th
- CGPA: 2.9

EXPERIENCE

Chairperson | IEEE USKT STUDENT BARNCH | University of Sialkot.

October 2023 -Current

Chaired the IEEE Uskt Student Branch and orchestrated a national-level inter-university competition with 700+ participants, enhancing visibility and engagement, impacting over 15 universities nationwide.

Executive Committee Member | IEEE USKT STUDENT BRANCH | University of Sialkot.

March 2022 – October 2023.

Marketing Manager | Flawless Finish | Zafer Wal.

2018-2021

I've been a marketing manager at Flawless Finish for the last 3 years. I can identify company growth opportunities and accelerate them by analyzing industry trends and consumer behavior. I've started successful marketing campaigns, enhanced lead creation, and positioned brands better in cutthroat markets.
